National Terrorism Advisory System Current Alerts

SITUATION SUMMARY

Hurricane Norbert: Impact to Southern California

Forecast update as of 0330 hours, 09/07/14

Weakening hurricane Norbert will draw significant moisture into Southwest California, decreasing late Tuesday. The most significant threat for thunderstorms with heavy rainfall and flash flooding today is from late morning through early evening for the mountains, deserts, and inland valleys, and then again from Monday afternoon through Monday evening. Where storms persist, localized flooding of low lying areas, poor drainage areas, and washes is likely.

Cal OES Southern Region

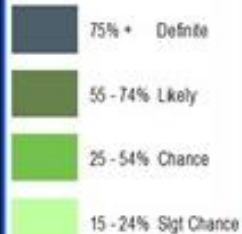

On Saturday, September 06, the Cal OES Southern Region Duty Officer (SDO) contacted the potentially impacted Operational Areas and all are currently monitoring the event and will provide updates as warranted. The SDO will continue to monitor the event and maintain communications with the OAs that could potentially be impacted by Norbert.

SHOWERS AND THUNDERSTORMS EXPECTED THROUGH MONDAY

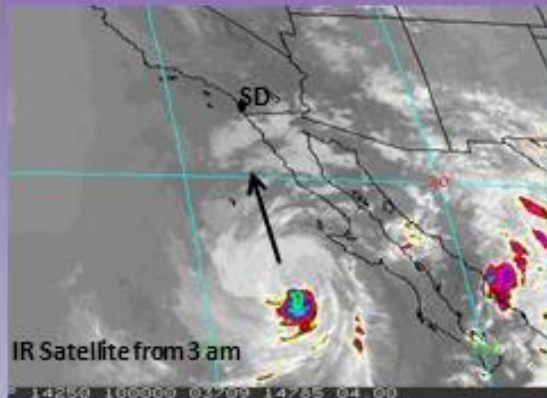

Likelihood of Precipitation for This Afternoon Through This Evening

Created by:
National Weather Service
San Diego, CA

Likelihood of Precip

Moisture from Norbert continues to creep northward toward Southern California

---OUTLOOK---

Through Monday....showers and thunderstorms will become more widespread across the area and may push west of the mountains into the coastal valleys.

Map generated 9/7/2014 at 3:11:58 AM

Issued Sunday, Sep 7, 2014 at 3:31 am PDT

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

SITUATION SUMMARY

Governor Brown Requests Presidential Major Disaster Declaration, Offers Additional South Napa Earthquake Recovery Assistance

Moving to help communities recover from the South Napa Earthquake, Governor Edmund G. Brown Jr. has requested a Presidential Major Disaster Declaration for the state and issued an Executive Order to help cut red tape and provide additional financial assistance.

A Presidential Major Disaster Declaration triggers the release of Federal funds to help communities recover and the Executive Order provides additional financial assistance to local agencies and non-profit organizations and ensures residents can replace important documents and access key services without shouldering additional costs or other burdens.

The full text of the letter and Executive Order is [HERE](#)

Magnitude 6.0 Earthquake, American Canyon, Napa County

SITUATION:

On Sunday, August 24, 2014, at 0320 Hours PST, a magnitude 6.0 earthquake struck five miles northwest of American Canyon, CA. The earthquake nucleated at a depth of 10.8km. The shaking intensity in American Canyon and Napa from the “South Napa Earthquake” was a “VII” on the Modified Mercalli Scale, suggesting very strong shaking occurred in the Napa County area. Ground shaking was felt as far south as Salinas, east to Sacramento, and north to Ukiah. The Cal OES Earthquake and Tsunami Duty Officer is in contact with the United States Geological Survey and California Geological Survey and will provide updates.

South Napa Earthquake Recovery VIP Tour

- A tour of South Napa was held 9/3/14, and was hosted by the City and County of Napa.

Access and Functional Needs

- Solano County established a casework hotline at (707-438-7059) from 1000 – 1700 hours.
- Napa County established a casework hotline at (707-257-2900) from 1000 – 1700 hours.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Damages

CA State Parks Office of Historic Preservation reports inspections are this week for the Sonoma State Historic Park sites: Vallejo Home, Jack London, Petaluma Adobe and Benicia Capitol.

County of Napa

• Historic Buildings Damaged:

- Uptown Theater (red tagged), Napa Valley Opera House (yellow tagged), Sam Kee Laundry, Goodman Library, Napa County Courthouse, and Napa State Hospital.

City of Napa

- 129 red tagged structures; >1,000 yellow tagged structures

Sonoma County

- 44 residences with minor damages; 7 businesses with minor damages

Solano County

- Two (2) buildings sustained minor damage in Fairfield. There is no damage reported in unincorporated areas.

City of Vallejo

- 30 red tagged structures; 409 yellow tagged structures

City of American Canyon

- 0 red tagged structures; 48 yellow tagged structures (44 homes and 4 businesses)

Napa Airport

- The earthquake blew out most of the windows in the Napa air traffic control tower and the facility is unusable. It could take several weeks to get new windows manufactured and installed.
- No obvious damage to the structure.
- A temporary tower was installed until the permanent tower is repaired. The controllers will use temporary towers (small cabs on the top of trailers) until fully restored in a couple of months.

Mobile Home Parks

Housing and Community Development (HCD) and Cal OES Safety Assessment Program (SAP) inspectors continue to inspect mobile home parks.

- Vallejo reports 3 additional mobile homes with damage (9/2/14).

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Evacuations/Shelters

- American Red Cross shelter: Crosswalk Community Church, located at 2590 First Street, Napa, CA: Population: 18
- Pets can be sheltered at the Napa County Animal Shelter on Hartle Court, Napa, CA.
- American Red Cross shelter: Florence Douglas Senior Center, located at 333 Amador Street, Vallejo, CA: Population: 0; closed 09/06/14.

Health and Medical

- St. Helena Hospital turbidity of sources was investigated and found to be minimal. The main turbidity problems are associated with their storage tanks. Contacts have been provided to the water system for tank cleaners. Additional bacteriological samples were collected by staff. There are no notices in place at this time; however, the situation continues to be monitored.
- The Office of Statewide Health Planning and Development (OSHPD) completed inspection of buildings at Napa State Hospital and the Sonoma Developmental Center.
- Per the Department of Social Services, the following CCL Adult and Senior Care Facilities are impacted:
 - Nazareth Rose Garden of Napa, 903 Saratoga Drive, Napa. Closed due to water damage, 38 residents moved.
 - Napa Valley Support Services - Brown Street, 2225 Brown Street, Ste. 102, Napa. The facility closed with ceiling damage.
 - Napa Valley Support Services – Napa, 622 Imperial Way, Napa. The facility closed with ceiling damage.

The following hospitals/clinics are closed:

- Community Health Clinic (aka: Clinic Ole), 1100 Trancas Street, Napa: Will be closed for two to four weeks due to water damage. All patients with existing appointments have been given appointments at affiliate clinics.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Health and Medical Cont.

- CDPH Women, Infants and Children (WIC) reported (1) center in Solano is closed and will reopen on 9/8/14. As of September 4, 2014, all four affected WIC site in Napa County have returned to normal operating status.
- Department of State Hospitals: Staff relocations to safe structures continue. Structural engineers continue to evaluate identified yellow and red tag structures. Aside from diligent monitoring, hospital life/safety/health issues and patient treatment areas are back to standard operations.
- The Department of Child Support Services: Napa County Child Support Agency is again providing services to child support customers.
- Napa County Public Health (NCPH) will be submitting a formal request to the Napa MHOAC regarding a request for assistance from the DEODC Emergency Preparedness Team. NCPH is requesting a community assessment of emergency preparedness, mental health issues, chronic disease exacerbation, and injuries following the earthquake. The assessment is planned for the week of 9/15/14.
- The CDPH and EMSA Duty Officer programs continue to monitor and update the impact of the incident.
- CDPH Division of Licensing and Certification (L&C) continues to monitor the situation and provide updates on the status of affected licensed facilities.
- CDPH Division of Environmental and Occupational Disease Control (DEODC) Emergency Preparedness (EP) will be assisting Napa County Public Health with an assessment planned for the week of 9/15/14 regarding epidemiological assessment of injuries, chronic disease exacerbation, mental health needs, and personal preparedness related to the earthquake.
- The CDPH Center for Health Statistics and Informatics (CHSI), Vital Records Registration Branch (VRRB) has been in contact with the Napa County Recorder's office and has not received requests for assistance but is monitoring the situation.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Power and Utilities

Per CUEA:

- All communications functioning in normal range, AT&T has a COLT (cell on light truck) and mobile charging trailer on site in downtown Napa.
- PG&E strike teams deployed to provide welfare checks to the community for isolated power outages for Napa and damaged areas.

Water (as of 09/05/14)

- As of September 4, 2014, all water main leaks associated with the event have been repaired. They have resumed their typical main leak response levels (2-inch laterals). (Note: the distribution losses are back to normal ~ 8%.)
- Napa Sanitation District (Napa County is responsible for the City of Napa service area) – SWRCB has requested an update to get a picture of the progress and mapping of the sewer main breaks.
- St. Helena Hospital – Tank cleaning completed, 09/05/14. To date, all water quality samples indicate no total coliform or E. coli activity. Initial storage tank turbidity measured 37 NTU on the day of the earthquake and dropped to 25 NTU last Friday during our inspection six days later. Staff were able to work with the operators and conclude that the storage tank was the origin of the turbidity problem. Following the tank cleaning, turbidity has come down to 9.9 NTU. Note: $\frac{3}{4}$ of the suspended particles were 10 um or less in size on August 29, 2014. The facilities manager plans to send us a copy of the public notice planned for distribution.
- Meyers Water Company (community, 97 connections) (and neighbor Milton Road & Water Company, community with 24 connections) – They are eligible for emergency funding to install 28,000 gallons of storage and a generator. The Company has reached out to its neighbor (recent WQ impacts to their source were detected that related to the earthquake) to consider long-term options. The two companies are engaged in discussing a possible consolidation, which would ultimately lead to increased source and storage reliability for both water systems. SWRCB is supporting any effort to consider these long-term options (likely CA SRF funds) while being clear on the short-term (P84 Emergency Funding) options.
- City of Napa (Browns Valley Pressure Zone, 1,800 connections) – The City has worked with customers to minimize peak demands and has a contingency plan (labor intensive) to get through the weekend if the pump fails. To address these immediate needs, SWRCB is working on an emergency grant to provide the following: (1) 2 x variable frequency drive pumps, (2) emergency generator, and (3) a temporary cover on a structurally compromised tank. There are pressure recorders at two locations in the distribution system to monitor Browns Valley – these may be utilized in the near future to monitor any repairs made in the vicinity of sewer main breaks. To date, 140 bacteriological samples were collected following the event and no E. coli was detected in the distribution system.

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Deployments

- None

Activations

On September 5, at 1700 hrs. the Cal OES Coastal Region Emergency Operations Center (REOC) deactivated. The Coastal Region Duty Officer and assigned field staff, in coordination with Cal OES' Recovery Division and interested stakeholders, will continue to monitor activity, conduct follow-up on related impacts and associated costs, actions taken, and facilitate additional state assistance as needed.

- State Operations Center – Level 1 Activation
- Coastal Region Emergency Operations Center (REOC) – [Deactivated 09/05/14](#)
- Napa County EOC - [Napa Recovery Operations Center \(ROC\)](#) – Activated Mon thru Fri from 0800-1700 hrs. until further notice.

Proclamations:

- The Governor issued an Executive Order authorizing CDAA and requested a Presidential Disaster Declaration, 09/02/14.
- The County of Napa declared a Local Emergency, 08/24/14.
- The City of Napa Proclaimed a Local Emergency, 08/24/14.
- The County of Solano declared a Local Emergency, 08/24/14.
- The City of Vallejo (located in Solano County) declared a Local Emergency, 08/24/14; Update received 8/29/14.
- The County of Sonoma declared a Local Emergency, 08/30/14.
- The City of American Canyon (located in Napa County) declared a Local Emergency, 08/26/14.

Mission Status: (as of 09/05/14)

- 3 Coordinating
- 0 Action Required
- 0 On Scene
- 22 Closed

GO-Biz (Governor's Office of Business & Economic Development)

The Governor's Office of Business & Economic Development is working with the State Alcohol & Beverage Control Board to relax regulations if helpful; e.g., if a business needs to relocate temporarily or long term, the license may be transferred to the new address.

Cal OES
GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

SITUATION SUMMARY

Magnitude 6.0 Earthquake, American Canyon, Napa County Cont.

Recovery

- Cal OES Recovery Individual Assistance (IA) continues to support the REOC and respond to inquiries from individuals affected by the earthquake. All IA and Public Assistance (PA) joint federal/state/local preliminary damage assessments (PDA) concluded and a request for Presidential Disaster Declaration was forwarded by the Governor on 09/02/14. However, based on a request for additional IA information, three IA PDA teams are scheduled to meet in Napa to conduct assessments on September 8-9, 2014.
- The City of Napa website has information regarding earthquake recovery resources.
- A Public Assistance Applicants' Briefing to discuss the types of assistance available and the programmatic guidelines is scheduled to occur at 1000 hours September 11, 2014, in the Zinfandel Hall located at 575 Third Street, Napa.
- On 09/04/14, IA participated in a Long Term Recovery Committee (LTRC) meeting with key organizations interested in recovery efforts. A follow-up meeting was held 09/05/14, the Napa LTRC is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement.

Local Assistance Center

The City of Vallejo is holding a Local Information Booth located at 355 Santa Clara Street, Vallejo and is working with the Chair of the Solano Volunteer Organizations Active in a Disaster (SVOAD), to assess needs and make information available to the community.

- Location: Vallejo City Hall – Lobby, Tuesday, 9/2 through Friday, 9/5/14, 1000 – 1600 hours.
- Two translation laptops were provided to assure communication for anyone who is deaf and uses sign language interpreters, and for those with limited English proficiency needing other language interpreters.
- Discussions regarding the need for a LAC or similar type of resource center continues.

American Red Cross Assistance Center: Napa Marriott Hotel opened on 09/01/14 from 1000 to 1900 hours for Napa and Solano County; center will be open for two weeks.

County and City of Napa: LAC opening on Monday, 9/8/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail).

Solano County: Is working with the City of Vallejo on a joint assistance center.

SITUATION SUMMARY

Governor Brown Declares State of Emergency for Northern California Wildfires

On 08/02/14, Governor Brown issued an emergency proclamation for the state of California due to the effects of wildfires in El Dorado, Amador, Butte, Humboldt, Lassen, Madera, Mariposa, Mendocino, Modoc, Shasta, and Siskiyou counties that have burned thousands of acres, destroyed homes and other structures and damaged critical infrastructure.

Cal OES Activations Due to Wildfires

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

ACTIVE WEATHER WARNINGS, WATCHES and ADVISORIES:

- http://www.wrh.noaa.gov/sto/brief/www_bc_cal.php

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

Warm and dry conditions will persist through mid-next week in the interior. Clouds and fog will continue along the immediate coast with few breaks in the afternoon and the forecast area can expect more clearing at the coast by midweek.

San Francisco Weather:

Moisture spreading northward from Tropical Cyclone Norbert will bring mid/high level clouds to portions of the central coast today through Monday. In addition, there will be a slight chance of sprinkles over the far southern portions of the region tonight with the increased moisture aloft. Otherwise, dry weather and near normal temperatures will persist over the forecast area through the workweek. A warming trend is then forecast during the latter half of the week.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

Tropical system Norbert is expected to increase cloudiness and potential for northern Sierra showers and thunderstorms, mainly south of Lake Tahoe, on Monday. Otherwise, dry and warm weather continuing into next week.

Hanford Weather:

Clouds and possible thunderstorms over mainly Kern County and the southern Sierra this afternoon through Monday as remnants of Hurricane Norbert spread northward. Upper level trough expected on Tuesday which will clear out any residual clouds and precipitation.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA

Los Angeles Weather:

Increasing moisture over the region from Tropical Cyclone Norbert will bring a chance of showers and a slight chance of thunderstorms to much of Los Angeles and Ventura Counties through Tuesday and to Santa Barbara County Sunday night into Monday morning. A cooler weather pattern can be expected Monday and Tuesday followed by warming by the end of the week.

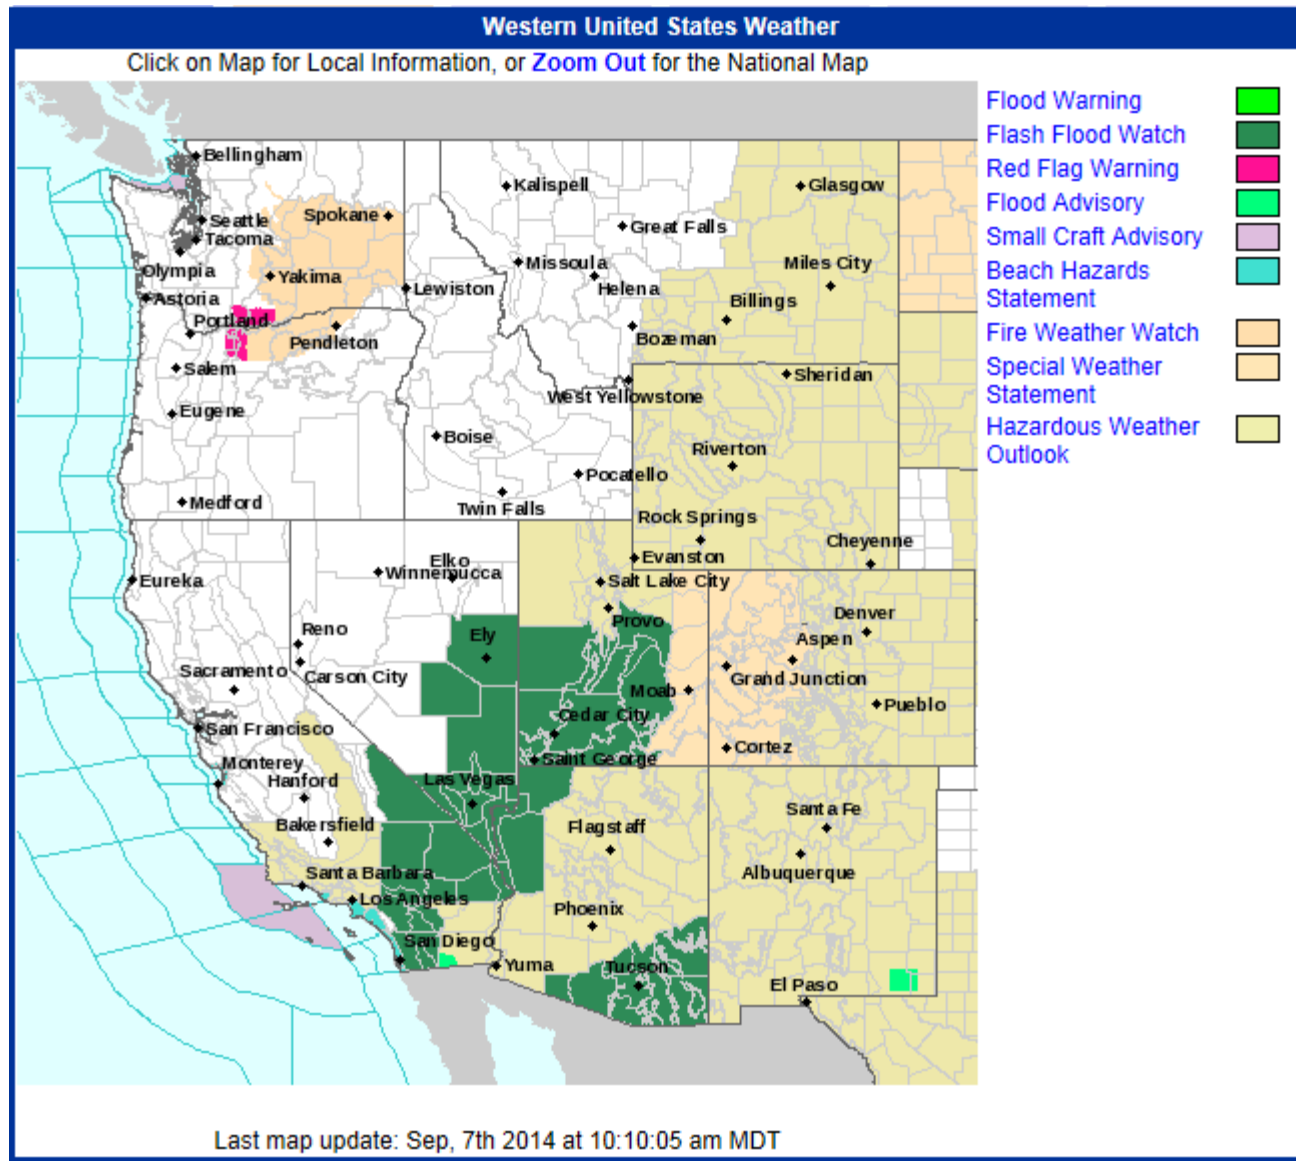

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

Weakening Hurricane Norbert will draw significant moisture into southwest California decreasing late Tuesday. The most significant threat for thunderstorms with heavy rainfall and flash flooding today is from late morning through early evening for the mountains and inland valleys, with the greatest threat for late Monday morning through early Monday evening for the mountains and deserts. More widespread precipitation is possible late Monday night into Tuesday morning as the midlevel remnants of Norbert move across northern Baja and far southern California with one last round of the thunderstorms for the mountains and deserts Tuesday afternoon. Dry weather with seasonal temperatures is expected to follow for Wednesday through Saturday.

Southeast California Weather:

Moisture will continue to increase across the area today through the early part of the week as former Hurricane Norbert approaches the southern California coast. Showers and thunderstorms are expected at times each day through the early part of the week with some locations possibly seeing brief periods of heavy rain. A gradual drying trend is expected to begin by the middle of the week as high pressure slowly rebuilds over the region.
